POLICIES

PARENTS, COUNSELORS AND CAMPERS SHOULD REVIEW THIS MESSAGE AND POLICIES

We at Sam Davis Youth Camp (will be referred to as "Camp") have taken the safety and well-being of our campers very seriously. Alter all, giving your child over to the care of other people, even those that you have come to know is perhaps the greatest act of trust you as a parent can engage in. We aim to do everything we humanly can to earn and keep that trust. We also know we cannot do this without your help. With more and more children using the Internet, cell phones, iPods and other technologies at younger ages, we appeal to both parents and campers to partner with us to ensure that our campers continue to have the safest, most wholesome experience as possible at camp.

This message will help you understand the challenges some technologies pose to the continued health and safety of our camp community. Please review the following policies regarding CELL PHONES, IPODS, CAMERAS, INTERNET AND ELECTRONIC EQUIPMENT use at camp. As always we invite you to call us if you have any questions or concerns about any of these policies.

CELL PHONES — WE HAVE A NO-CELL-PHONE POLICY

DO NOT BRING A CELL PHONE TO CAMP. Cell phones found at camp after Registration and Admission on the first day of camp, whether by accident or planned will be taken and held until departure day. Aside from the fact that cell phones are expensive and can get lost or stolen and that the physical camp environment is not kind to such items, there is a fundamental problem with campers having cell phones at camp, and that is trust. When children come to camp, they and their parents are making a leap of faith, temporarily transferring primary care from parents to us. This is one of the growth producing, yet challenging aspects of camp. As children learn to trust other caring adults, they grow and learn to solve some of their own challenges. This emerging independence is one of the greatest benefits of camp. It is one important way your child develops greater resilience. Contacting the parent often by phone essentially means they have not made this transition. It prevents us from getting to problems that may arise and addressing them quickly. Sending a cell phone to camp is like saying to your child that you as the parent haven't truly come to peace with the notion of them being away from you and in our care. We agree to tell you immediately if your child is experiencing a challenge in their adjustment to camp. Parents can help by talking with their child before they leave for camp and telling them that there is always someone they can reach out to, whether it be their Counselor, Director or Medic. We are all there to help, but if you don't trust us, your children certainly won't, and your trust as parents is what we seek before your child comes to camp.

Another problem with cell phones at camp is that many of them have built-in cameras. Through the Internet you may have been witness to digital images (ranging from marginally appropriate to comical to indecent, vulgar and illegal) that have been uploaded via camera equipped cell phones. It has happened at many camps that children have secretly taken photos of other campers or staff during changing, showering, bathroom use, etc. and uploaded those images to the Internet. If you belong to a health club, chances are it has a "no cell phone" policy. We choose to avoid these unfortunate by products of cell phone use by eliminating cell phones at Sam Davis Youth Camps.

IPODS & VIDEO DOWNLOAD DEVICES – WE HAVE A POLICY BANNING THE USE OF IPODS OR OTHER DEVICES THAT CAN DOWNLOAD VIDEO

Due to the capability of such devices to download and store in a private manner easily available sexually explicit, degrading, foul and vulgar content, they are inappropriate for use at camp. In addition it is our aim to promote activities, whether formally planned, informal, or spontaneous during free time that are inclusive and group oriented rather than exclusionary for private personal use or benefit.

CAMERAS - WE HAVE A NO-VIDEO-CAMERA POLICY

Again, for many of the same reasons for the no-cell-phone policy, we strongly recommend the use of disposable film cameras if a camera is desired at camp. Although permissible, the camp

environment is not kind to the sensitive mechanism of an expensive digital still camera. Our staff is acutely aware of campers using cameras during the wrong situations, and or, in the wrong places. When we suspect that this has occurred, our policy is to confiscate the camera, destroy the film or card and hold the camera until departure. You should know that any camper (and their parent) that takes a compromising photo of another camper or staff member and uploads it on the Internet or makes it public in any way after leaving camp will be subject to legal action and may not be allowed to return to the Sam Davis Youth Camp. Remember, we take hundreds of appropriate photo images during each session and edit them onto a memory CD that is made available to campers for a nominal charge before they depart.

COMPUTERS & THE INTERNET - WE HAVE A NO-LAPTOP & HAND PDA TYPE DEVICE POLICY

Campers do not have the capability to send or receive email, instant message, or play CD's or DVD's on our computers.

FANS & HAIRDRYERS - WE HAVE A NO-ELECTRIC-FAN POLICY

Each camper cabin is air conditioned. The use of additional fans brought by campers is dangerous because of tripping and falling hazard of electric wires in a confined space and the potential danger of over-utilized extension cords that can overheat and trip electric circuits used for lighting and the installed fans. Additional fans give the false sense of cooling, rather they produce more heat and annoying noise as well as the above mentioned potential hazards. Hairdryer use is limited to the Cabin Dorm Rooms and not the Bathrooms. The camper cabin electrical circuits will not support the high-energy usage of hairdryers, plus hairdryers add to the heat and humidity load of the cabins.

MODEST CLOTHING ONLY

Campers will dress modestly – no suggestive immodest clothing will be worn. Girls will wear one piece bathing suits or 2 piece with a t-shirt. Boys will wear a t shirt with their bathing suits. No short shorts. Sandals, Zorries or flip flops may only be worn at the pool. 3 Mountain has a policy that campers wear only closed toe shoes or boots on the camp ground.

BREAKAGE POLICY

Property broken through maliciousness, negligence or recklessness will be paid by the Camper's parents/guardians.
